by Patricia Schultz

## Synopsis:=====

“Gorgeous . . . breathtaking . . . This spectacular coffee-table book will inspire readers to add more destinations to their bucket lists.” Publishers Weekly  
Patricia Schultz curates the world. When she published the original 1,000 Places to See Before You Die, she created not only a new kind of travel book but also a new way of thinking about our experiences and interests. Now Schultz captivates our hearts in the same compelling way her original book spoke to our minds. Moving from eloquent word to breathtaking image, she takes us on a visual journey of the best the world has to offer, and as we turn the pages and pore over these images, we feel it all: joy, curiosity, awe, passion, nostalgia (if we’ve been there), inspiration (because we want to go), and a profound and transforming sense of how lucky we are to live in a world filled with such beauty and wonder—to see tributaries of mist curling over the Great Wall, elephants grazing on the floor of the Ngorongoro Crater, the sun
