13 Curses (Thirteen Treasures, #2)
by Michelle Harrison

Synopsis:=====

When fairies stole her brother, Red vowed to get him back. Trapped in the fairy realm, Red must beg an audience with the fairy court. There, she strikes a bargain. Her brother will be returned - but only if she can find the charms of Tanya's bracelet, scattered in the human world. Returning to Elvesden Manor, Red is assisted by Tanya and Fabian, and a desperate hunt begins. Soon they make a shocking discovery. The charms now have twisted qualities of the thirteen treasures they represent . . . and the longer they are missing the worse the consequences will be. Can Red, Tanya and Fabian find all the charms? And even if they do, will the fairies keep their promise?
