Synopsis:=====

Have you been trying to learn Japanese and simply can't find the simple way to discover new words? Are you tired of having to pore through boring textbooks and complicated material that you don't really understand? Are you looking for a way to learn the language more effectively without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in Japanese, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your
