## Synopsis:=====

HELP YOUR CHILD VANQUISH VOCABULARY! We've selected 230 words to help your child expand their vocabulary and enhance their school and reading success. With words and a contextual sentence on the front, and definitions, pronunciation, and syllable breaks on the back, our Sylvan flashcards make learning easy and fun. We've also included 10 blank cards kids can use for new or personalized vocabulary. Plus, it's easy to keep track of which words your child has learned with the color-coded meter on the side of this box. Once your child feels comfortable with a card, flip it upside down, move it to the back of the box behind the divider, and watch your child's vocabulary grow!
