Advanced Love
by Ari Seth Cohen

Synopsis:=====

From the creator of the popular blog Advanced Style, photographer Ari Seth Cohen's Advanced Love collects affectionate portraits of subjects who prove that love is bound by neither the constraints of age or time. The book includes 40 profiles of inspiring couples from around the world, and more than 200 photos.

The profiles explore themes of love and companionship through firsthand insight from the subjects; they share their stories of falling in love, what they have learned after decades of partnership, and valuable relationship advice. Advanced Love is a touching look at the often-ignored partnerships of the senior set. Filled with couples who have built their lives together, it's an indispensable trove of wisdom on love and the lessons they have learned along the way.
