BENCHED: What I Gained When I Lost It All
by Rebecca Lynn Fussell

Synopsis:=====

Our stories are all different. True. But hang around long enough and you'll discover our stories may be more alike than you realize. One minute you're enjoying a refreshing afternoon, sipping lemonade on the front porch. With a blink of an eye or perhaps something you've seen brewing in the distance, a catastrophic storm cloud has swept through your being, leaving you ravaged and stunned with the aftermath. The life-as-you-know-it has changed forever, despite your best efforts to avoid it. Unexpected and destructive circumstances launched Rebecca into a crisis of faith that didn't fit the neat package of life she unwittingly believed was her right. Suddenly, the faith she'd clung to as a little girl experienced a head-on collision with reality. She absolutely didn't know what to do. That's when God benched her . . . right next to Himself. Journey with Rebecca to the bench and discover all the treasures awaiting you. Uncover what you can gain when you've

lost it all.
