Bad Girls Throughout History: 100 Remarkable Women Who Changed the World?(Women in History Book, Book of Women Who Changed the World)
by Ann Shen

Synopsis:=====

Aphra Behn, first female professional writer. Sojourner Truth, activist and abolitionist. Ada Lovelace, first computer programmer. Marie Curie, first woman to win the Nobel Prize. Joan Jett, godmother of punk. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. From pirates to artists, warriors, daredevils, scientists, activists, and spies, the accomplishments of these incredible women vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout History* is a distinctive, gift-worthy tribute.
