Batman: Year One
by Frank Miller

Synopsis:=====

A new edition of one of the most important and critically acclaimed Batman adventures ever, written by Frank Miller, author of *The Dark Knight Returns*! In 1986, Frank Miller and David Mazzucchelli produced this groundbreaking reinterpretation of the origin of Batman—who he is and how he came to be. Written shortly after *The Dark Knight Returns*, Miller's dystopian fable of Batman's final days, *Year One* set the stage for a new vision of a legendary character. This edition includes the complete graphic novel, a new introduction by writer Frank Miller and a new illustrated afterword by artist David Mazzucchelli. Completing this collection are over 40 pages of never-before-seen developmental material such as character and layout sketches, sample script pages, sketches and more that provide a glimpse into the making of this contemporary classic. This volume collects *Batman* #404-407.
