## Synopsis:=====

When our loved ones are in the bondage of addiction, it seems impossible to find any peace in our lives. Instead of still waters, we feel as if we are in the middle of a roaring river. *Beside Still Waters: Discovering Peace in the Midst of Your Child's Addiction* deals with topics such as codependency, denial, worry, enabling, guilt feelings, and more. Although written from a mother's heart to other mothers, the book can also be helpful for anyone with a loved one in addiction.
