**Bud, Not Buddy**  
by Christopher Paul Curtis

## Synopsis:=====

It's 1936, in Flint, Michigan. Times may be hard, and ten-year-old Bud may be a motherless boy on the run, but Bud's got a few things going for him: 1. He has his own suitcase filled with his own important, secret things. 2. He's the author of Bud Caldwell's Rules and Things for Having a Funner Life and Making a Better Liar Out of Yourself. 3. His momma never told him who his father was, but she left a clue: flyers of Herman E. Calloway and his famous band, the Dusky Devastators of the Depression!!!!!! Bud's got an idea that those flyers will lead him to his father. Once he decides to hit the road and find this mystery man, nothing can stop him--not hunger, not fear, not vampires, not even Herman E. Calloway himself.
