Crime and Punishment
by Fyodor Dostoyevsky

Synopsis:=====

Raskolnikov, an impoverished student living in the St. Petersburg of the tsars, is determined to overreach his humanity and assert his untrammelled individual will. When he commits an act of murder and theft, he sets into motion a story that, for its excruciating suspense, its atmospheric vividness, and its depth of characterization and vision is almost unequaled in the literatures of the world. The best known of Dostoevsky's masterpieces, *Crime and Punishment* can bear any amount of rereading without losing a drop of its power over our imaginations. Dostoevsky's drama of sin, guilt, and redemption transforms the sordid story of an old woman's murder into the nineteenth century's profoundest and most compelling philosophical novel.
