## Synopsis:=====

For all the proud fathers who continue to be present in their children's lives. Daddy's Mini-Me is a children's book about the proud moments of a father as he cheers on the early developmental stages of his baby. It is a much needed storybook with relatable and admirable illustrations that sends out a powerful message of the importance of a father's presence in their children's lives. Inside the book, you will also find a pledge that needs to be signed by the father, agreeing to always be a role model for his children. It's the perfect gift for expecting, new and proud fathers with babies, toddlers, preschoolers and kindergartners. Daddy's Mini-Me is a "little" reminder of the significance of presence over presents. A book that will be cherished for years to come. Attention parents: only hardcover copies will be autographed by the author with a handwritten message that states, "Enjoy every moment together."
