Synopsis:=====

EVEN IF YOU DON'T is not a cancer story - it's a love story. And even more than that, it's the awe-inspiring life story of Kailen Combs Taylor. Kailen lived with a perpetual sense of wonder, maintaining immutable joy and resilient hope in the midst of some of life's most barbaric trials. Narrated with heartrending candor, this harrowing love story will make you laugh, cry, and frantically turn the page, often all at once. And long after you finish the book and fall back into the hectic fray of life, you may find Kailen's message still resonates in your heart: that life can be a fairytale, even when it's a tragedy. "Bryan has written a book which proves that even in the face of impossible odds, love never fails." -Christina Rasmussen, Author of *Second Firsts: Live, Laugh, and Love Again*
