Doody's Medical Review: 100 Points; 5 Stars (First Edition) The third edition of this highly acclaimed review continues to promote efficient, time-saving study by synthesizing the complex knowledge needed to pass the exam into a concise, well-organized format. It is updated with key information about the new ANCC and AANPCB certification exams, including new test format questions featuring photos of skin and eye conditions and EKGs, and more challenging drag and-drop and multiple-choice questions. Also new to the third edition is more detailed information about nonclinical topics on the exam, including research, ethics, medico-legal issues, advanced practice law, health practices of major cultures, and reimbursement guidelines. One hundred new review questions throughout the book
