by Brenda Yoder

Synopsis:=====

Your kids are spreading their wings. Are you ready? In *Fledge*, counselor, educator, and mother Brenda L. Yoder helps Christian parents navigate the many transitions of the launching years. How do you parent tweens at home and young adults away from home at the same time? What's a good balance between boundaries and freedom? How can you pray for your fledgling youth? And what do you do with all that mom grief? Your job as a parent isn't over; it's just changing. Equip yourself with biblical wisdom for this season of transition in your family life. Learn the patterns to avoid and the habits to pursue. Launching your children can be scary, and some days it might make you crazy. But you've been raising them to do just this. *Fledge* will help you release your children into the future that God has planned for them.
