Leadership: Theory and Practice
by Peter G. Northouse

Synopsis:=====

In this fully updated Eight Edition of *Leadership: Theory and Practice*, a new chapter on Followership examines the central role followers play in the leadership process and unpacks the characteristics of both effective and ineffective followers. The new edition also includes a new Ethical Leadership Style Questionnaire and new coverage on the dark side of leadership and destructive leadership. Adopted at more than 1600 institutions in 89 countries and translated into 13 different languages, this market-leading text successfully combines an academically robust account of the major theories and models of leadership with an accessible style and special emphasis on how leadership theory can inform leadership practice. Peter G. Northouse uses a consistent structure for each chapter, allowing students to easily compare and contrast the various theories. Case studies and questionnaires provide students with practical examples and opportunities to deepen their personal understanding of their
