Little Blue Truck
by Alice Schertle

Synopsis:=====

Beep! Beep! Beep! Meet Blue. A muddy country road is no match for this little pick up--that is, until he gets stuck while pushing a dump truck out of the muck. Luckily, Blue has made a pack of farm animal friends along his route. And they're willing to do whatever it takes to get their pal back on the road. Filled with truck sounds and animals noises, here is a rollicking homage to the power of friendship and the rewards of helping others. Includes a downloadable party kit for even more fun!
