Match Me If You Can by Tiana Smith

Sypnosis:=====

Mia's best friend Robyn is known for her matchmaking skills, which is perfect, because homecoming is just around the corner. But Robyn refuses to set Mia up with the guy of her dreams, which forces Mia to take matters into her own hands. She uses Robyn's matchmaking service to make sure popular Vince Demetrius falls for her. Vince asks her out, but Mia doesn't count on Logan, the persistent school newspaper photographer who seems to like her out of the blue. Now she has to choose between Vince - the guy she knows is right for her - and Logan, who insists that she give him a chance. And she needs to make sure Robyn doesn't find out that Mia's been matchmaking behind her back. Mia has two weeks before homecoming. Can she fix the mess she made or will she have to kiss her perfect match goodbye forever?
