My First Book of **TRACING**

*Mastering basic pencil skills builds a firm foundation
for writing letters and numbers.*

*Use this book as both a fun introduction to using pencils
and a great practice guide.*

My First Book of Tracing
by Kumon Publishing

Synopsis:=====

Start your child on the right track with tracing exercises. Drawing lines accurately can be a hard task for children. This entry-level book provides toddlers and older children with opportunities to learn to manipulate a pencil skillfully. Simple and fun drawing exercises start with vertical straight lines, and then gradually shift to more difficult lines, such as curves, zigzags, and diagonal lines, providing children with an ideal preparation for learning to write letters and numbers. Through the feel-good experience of tracing, a child's love of learning will blossom. Ages 2-4.
