Romeo and Juliet
by William Shakespeare

Synopsis:=====

What could be worse than falling in love with your enemy? Romeo, son of the Montagues, thinks he's in love until he meets Juliet, the daughter of the Capulets, and discovers what true love really feels like. But their two families are bitter rivals, and no one must know about their passion and secret marriage. When Romeo kills Juliet's cousin in a revenge-fuelled sword-fight, their dream of happiness seems doomed. Can the two families ever be reconciled so Romeo and Juliet can have a life together, or will their plans bring even more tragedy? Baker Street Readers are retellings of literary classics in 64 pages, with illustrations. These books make classic stories available to intelligent young readers as a bridge to the full texts and to

language students wanting access to other cultures.?
