Sacred Marriage: What If God Designed Marriage to Make Us Holy More Than to Make Us Happy?
by Gary L. Thomas

Synopsis:=====

Happy is good. Holy is better. Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply.

What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it exposes sin and makes us more aware of God's presence, how good marriages foster good prayer, how

married sex feeds the spiritual life, and more. The revised edition of Sacred Marriage takes into account the ways men's and women's roles have expanded since the book
