**Sensational Kids, Sensational Families: Hope for Sensory Processing Differences**  
by Rebecca Duvall Scott

## Synopsis:=====

There is nothing easy about raising a child, especially a sensational one. If you're seeking a handbook on how to support a child with special needs -- especially a child impacted by sensory processing disorder (SPD) or other nervous-system dysfunctions -- look no further. This memoir is a one-stop-shop of insights, and a survival guide for parents and caregivers. Filled with tried-and-true prevention and treatment strategies for SPD, Sensational Kids, Sensational Families is a valuable resource for all special-needs families, including those who cope with or suspect SPD, autism spectrum disorder, Asperger syndrome and ADD/ADHD. Are you: -- A parent desperately wanting to understand why your child is distracted or struggling?-- An educator yearning to nurture ALL your students academically, behaviorally or socially?-- A medical professional seeking to build upon your current knowledge to help families who are looking for guidance? Meet the Scott family. Open Rebecca Duvall Scott's
