Sex at Dawn: How We Mate, Why We Stray & What It Means for Modern Relationships
by Christopher Ryan

Synopsis:=====

A controversial, idea-driven book that challenges everything you (think you) know about sex, monogamy, marriage, and family. In the words of Steve Taylor (The Fall, Waking From Sleep), Sex at Dawn is "a wonderfully provocative and well-written book which completely re-evaluates human sexual behavior and gets to the root of many of our social and psychological ills."
