by Philip Houston

Synopsis:=====

Three former CIA officers--among the world's foremost authorities on recognizing deceptive behavior--share their proven techniques for uncovering a lie. Imagine how different your life would be if you could tell whether someone was lying or telling you the truth. Be it hiring a new employee, investing in a financial interest, speaking with your child about drugs, confronting your significant other about suspected infidelity, or even dating someone new, having the ability to unmask a lie can have far-reaching and even life-altering consequences. As former CIA officers, Philip Houston, Michael Floyd, and Susan Carnicero are among the world's best at recognizing deceptive behavior. "Spy the Lie" chronicles the captivating story of how they used a methodology Houston developed to detect deception in the counterterrorism and criminal investigation realms, and shows how these techniques can be applied in our daily lives. Through fascinating anecdotes from their intelligence careers, the
