Authors Ted and Charity Bradshaw don't claim to be marriage experts, but they do know what it takes to put marriage first?ahead of children, extended families, jobs, debt, differences of opinion, and everything else that life hands out. In *Staying I Do: Committed, Connected & Crazy in Love for a Lifetime*, they offer their personal stories and advice on communication, money matters, intimacy, family values, and more. The

Bradshaws share their trials and triumphs with honesty and humor, getting to the root of issues many couples face. Their goal is to help engaged couples, tired parents, empty nesters, and everyone in between rekindle the love, fun, and passion they felt on their wedding day. The authors help you work through real-life, nitty-gritty situations that can make you and your spouse feel like roommates.
