Surgical Recall
by Lorne H. Blackbourne

Synopsis:=====

Written in a rapid-fire question-and-answer format, Surgical Recall is a best-selling, high-yield reference for clerkship students. Covering both general surgery and surgical subspecialties, this portable resource provides accurate, on-the-spot answers to the questions you're most likely to encounter during your rotations and on the shelf exam. The eighth edition—now in full color—distills the content even further to give you exactly what you need: survival tactics and tips for success, key information for those new to the surgical suite, and expanded opportunities for self-assessment in a variety of formats. Strategic two-column format provides chapter content in the form of questions on the left and answers on the right to facilitate quick, effective review. Brand-new Rapid-Fire Reviews at the end of most chapters let you test your knowledge of chapter

content, and also help you get familiar with finding the words that are key to unraveling clinical vignettes throughout the
