The Louvre: The History, the Collections, the Architecture
by Geneviève Bresc-Bautier

Synopsis:=====

Experience the Louvre's majestic halls, grand galleries, and stunning artworks in this exquisite visit to the world-renowned museum---highlighting beloved works of art alongside hidden gems, all situated in the palace's stunning architectural spaces. Every year, more than ten million visitors from around the world visit the Louvre's 68,000 square meters of gallery space containing more than 35,000 works of art. The Louvre is widely considered the most innovative of the world's preeminent museums. This gorgeous tome is a celebration of an enduring institution and the magnificent works of art that it houses. Rather than showing only isolated images of the artworks themselves, this book shows many of the pieces in the context of the beautiful galleries and spaces where they live, to give the reader an experience similar to being at the Louvre. The Louvre explores the eight centuries of fascinating history surrounding the museum, which began in the Middle Ages as a fortress, then became a
