The Norton Field Guide to Writing
by Richard Bullock

Synopsis:=====

The Norton Field Guide lets you teach the way you want to teach. Short chapters with just enough detail can be assigned in any order. Color-coded links send students to more detail if they need it. Menus, directories, and a glossary/index all make the book easy to navigate. This flexibility makes it work for first-year writing, stretch, ALP, co-req, dual-enrollment, and integrated reading-writing courses.
