The Passion Generation: The Seemingly Reckless, Definitely Disruptive, But Far From Hopeless Millennials
by Grant Skeldon

Synopsis:=====

Millennials have disrupted almost every major industry. Whether you're a parent trying to raise them, a pastor trying to reach them, or an employer trying to retain them, they're disruptive. As the largest living generation, millennials are one of the most studied but misunderstood groups of our day. And the chasm between the generations is only getting wider. Speaker and founder of the Initiative Network Grant Skeldon pulls back the confusing statistics about millennials to reveal the root issue: it's not a millennial problem, it's a discipleship problem. Millennials are known for their struggle to hold jobs, reluctance to live on their own, and alarming migration away from the church. And now our culture is feeling the results of a mentorless, fatherless generation. But how do you start discipling young people when you struggle to connect with them? Written by a millennial, *The Passion Generation* will guide you beyond the stats of what millennials
