**The Wretched of the Earth
by Frantz Fanon**

Synopsis:=====

A distinguished psychiatrist from Martinique who took part in the Algerian Nationalist Movement, Frantz Fanon was one of the most important theorists of revolutionary struggle, colonialism, and racial difference in history. Fanon's masterwork is a classic alongside Edward Said's *Orientalism* or *The Autobiography of Malcolm X*, and it is now available in a new translation that updates its language for a new generation of readers. *The Wretched of the Earth* is a brilliant analysis of the psychology of the colonized and their path to liberation. Bearing singular insight into the rage and frustration of colonized peoples, and the role of violence in effecting historical change, the book incisively attacks the twin perils of post-independence colonial politics: the disenfranchisement of the masses by the elites on the one hand, and intertribal and interfaith animosities on the other. Fanon's analysis, a veritable handbook of social reorganization for leaders of emerging nations, has been
