Letter and Digit Reversals Workbook

Synopsis:=====

For page samples, follow the link: <https://books.lidiastanton.com/whichway> This colourful and highly engaging resource is written for children as young as 4-5 years old but also those in Key Stage 2 of primary school (up to 9 years old) who continue to feel confused by letter and digit shapes. The latter group might become so discouraged that they avoid writing, or write very little, despite having great imaginations. They start doubting their ability to simply 'know' the correct way when writing b/d, p/q, p/g, 9/g, 6/9, s/z, 5/S, S/3, etc. Most teachers and parents are very good at playing down the reversals and encouraging the child to have another go. They say, "It's fine, it's still good writing. I love what you've written here." Yet, after so many attempts and after so many teacher corrections on the page, the child begins to think, "This writing game might not be for me after all". Those with dyslexia will have additional phonological difficulties to manage alongside poor
