World Changer: A Mother's Story
by Karen Vaughn

Synopsis:=====

On August 6, 2011, 30 American soldiers aboard Extortion 17 perished in the single greatest loss of Navy SEAL lives. Among them - Aaron Carson Vaughn, a small-town boy who grew up in the hills of Tennessee and lived a life larger than most. Told through the eyes of Karen, Aaron's mother, this tender story of faith, family, and love grips the heart and shows how one family raised an American warrior filled with courage, tenacity, and patriotism. The Vaughn's story is not one about war or about a grieving family, but rather one of triumph and God's sustaining grace. Woven throughout Karen's story is practical advice for today's parents. Also included at the end is a study guide for those who desire to go deeper and learn how to raise children who live life so well that they leave a legacy.
